CE Tests

TAKE 1, 2, 3 TESTS TO RECEIVE CONTINUING EDUCATION (CE) CREDIT. SEE INSTRUCTIONS BELOW.

Go to http://www.ena.org/publications/jen/ce_articles/default.asp and follow the instructions to take your CE test(s) online.

OR

1. After reading the articles, darken the appropriate circles on the answer sheet on page 365 (or a photocopy). Each question has only 1 correct answer.
2. Review learning objectives on this page and complete the registration information and program evaluation* on the answer sheet.
3. Send the answer sheet with your registration fee to: Continuing Education Group, Lippincott Williams & Wilkins, 333 7th Avenue, 19th Fl, New York, NY 10001.

Within 6 weeks after Lippincott Williams & Wilkins receives your answer sheet, you will be notified of your test results. If you pass, Lippincott Williams & Wilkins will send you a CE certificate indicating the number of contact hours you have earned. If you fail, Lippincott Williams & Wilkins gives you the option of taking the test again at no additional cost. All answer sheets for this test must be received by August 31, 2008.

PROVIDER ACCREDITATION

Lippincott Williams and Wilkins (LWW) will award the contact hours indicated for this continuing nursing education activity. LWW is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. This activity is also provider-approved by the California Board of Registered Nursing, Provider Number CEP 11749 for the contact hours indicated. LWW is also an approved provider by the American Association of Critical-Care Nurses (AACN 00012278, CERP Category A for the Clinical exam, CERP Category O for the Research exam), Alabama #ABNP0114, Florida #FBN2454, and Iowa #75. LWW home study activities are classified for Texas nursing continuing education requirements at Type 1. Your certificate is valid in all states.

GENERAL PURPOSE

To provide registered professional nurses with information to increase their knowledge about current issues affecting emergency nursing practice.

LEARNING OBJECTIVE—RESEARCH (CONTACT HOURS 8.0; FEE $22.95)

After reading this article and taking this test, you will be able to:
1. Describe the results of a research study about pain relief expectations of patients with abdominal pain.
2. Analyze the results of a pilot study that examined the factors associated with pain management and functional status following emergency department discharge.
