CE Earn up to 8 Contact Hours
by Reading the Designated Articles and
Taking These Post Tests

TAKE 1 OR 2 TESTS TO RECEIVE CONTINUING EDUCATION (CE) CREDIT. SEE INSTRUCTIONS BELOW.

1. After reading the articles, darken the appropriate circles on the answer sheet on page 190 (or a photocopy). Each question has only 1 correct answer.
2. Review learning objectives on this page and complete the registration information and program evaluation* on the answer sheet.
3. Send the answer sheet with your registration fee to: Lippincott Williams & Wilkins CE group, 2710 Yorktowne Blvd., Brick, NJ 08723.

You will receive your certificate in four to six weeks. For faster service, include a fax number and we will fax your certificate within two business days of receiving your enrollment form. If you pass, Lippincott Williams & Wilkins gives you the option of taking the test again at no additional cost. All answer sheets for this test must be received by February 28, 2010.

GENERAL PURPOSE
To provide registered professional nurses with information to increase their knowledge about current issues affecting emergency nursing practice.

LEARNING OBJECTIVES—CLINICAL (CONTACT HOURS 3.0; MEMBER $20.95; NONMEMBER $24.95)

After reading these articles and taking this test, you should be able to:
1. Outline appropriate nursing considerations when caring for a pediatric patient.
2. Delineate the incidence, clinical findings, and nursing care for a patient with postpartum preeclampsia.
3. Identify common adulterants found in illicit drugs.
4. Discuss the nursing implications of the use of dialysis access in emergency situations.

LEARNING OBJECTIVES—RESEARCH (CONTACT HOURS 4.5; MEMBER $29.95; NONMEMBER $34.95)

After reading these articles and taking this test you should be able to:
1. Discuss the results of an injury prevention activity survey.
2. Outline information about electronic databases useful for emergency nurses.
3. Describe results of a study that examined alcohol screening, brief intervention, and referral in the emergency department.
4. Analyze the survey results about emergency nursing and medical errors.

*In accordance with Iowa Board of Nursing administrative rules governing grievances, a copy of your evaluation of the CE offering may be submitted directly to the Iowa Board of Nursing.
