CE Tests

Earn Up to 8 Contact Hours by Reading the Designated Articles and Taking These Post Tests

Take 1, 2, or 3 tests to receive continuing education (CE) credit. See instructions below.

1. After reading the articles, darken the appropriate circles on the answer sheet on page 83 (or a photocopy). Each question has only 1 correct answer.
2. Review learning objectives on this page and complete the registration information and program evaluation on the answer sheet.
3. Send the answer sheet with your registration fee to: Lippincott Williams & Wilkins CE group, 2710 Yorktowne Blvd., Brick, NJ 08723.

You will receive your certificate in four to six weeks. For faster service, include a fax number and we will fax your certificate within two business days of receiving your enrollment form. If you pass, you will receive your CE certificate of earned contact hours and an answer key to review your results. If you fail, Lippincott Williams & Wilkins gives you the option of taking the test again at no additional cost. All answer sheets for this test must be received by January 31, 2011.

Provider Accreditation

Lippincott Williams & Wilkins (LWW) will award the number of contact hours indicated for this continuing nursing education activity.

LWW is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity is also provider approved by the California Board of Registered Nursing, Provider Number CEP 11749 for the number of contact hours indicated.

LWW is also an approved provider of continuing nursing education by the District of Columbia and Florida #FBN2454. LWW home study activities are classified for Texas nursing continuing education requirements as Type 1. Your certificate is valid in all states.

General Purpose

To provide registered professional nurses with information to increase their knowledge about current issues affecting emergency nursing practice.
